

# EVERYONE THRIVES IN A VIBRANT COMMUNITY.

We all want access to opportunities in our neighborhoods, such as quality schools, healthcare, housing, food, jobs and transportation. However, in many communities these resources are very limited. Aurora, Boulder, Broomfield, Denver, Longmont and Boulder County are working on a plan to make all neighborhoods places of opportunity. We need your help! Share your housing and neighborhood story and make a difference in your community.

**Take the survey. Inform policy.  
Better your community.**
